OLANG®

Quality and Design MADE IN ITALY

COLLECTIONS 2020

Olang was founded in 1990 and, thanks to the experience and dedication of its team, it is now considered one of the leading companies in the quality shoe sector.
Our shoes are now distributed all over Europe and in many other countries throughout the world.
Olang designs, manufactures and commercializes high quality outdoor shoes which provide comfort and style to the wearer. For this season the collection includes very colourful styles to satisfy any need: from fashion shoes that you can wear in you free time to comfortable shoes for trekking and walking on hiking paths.

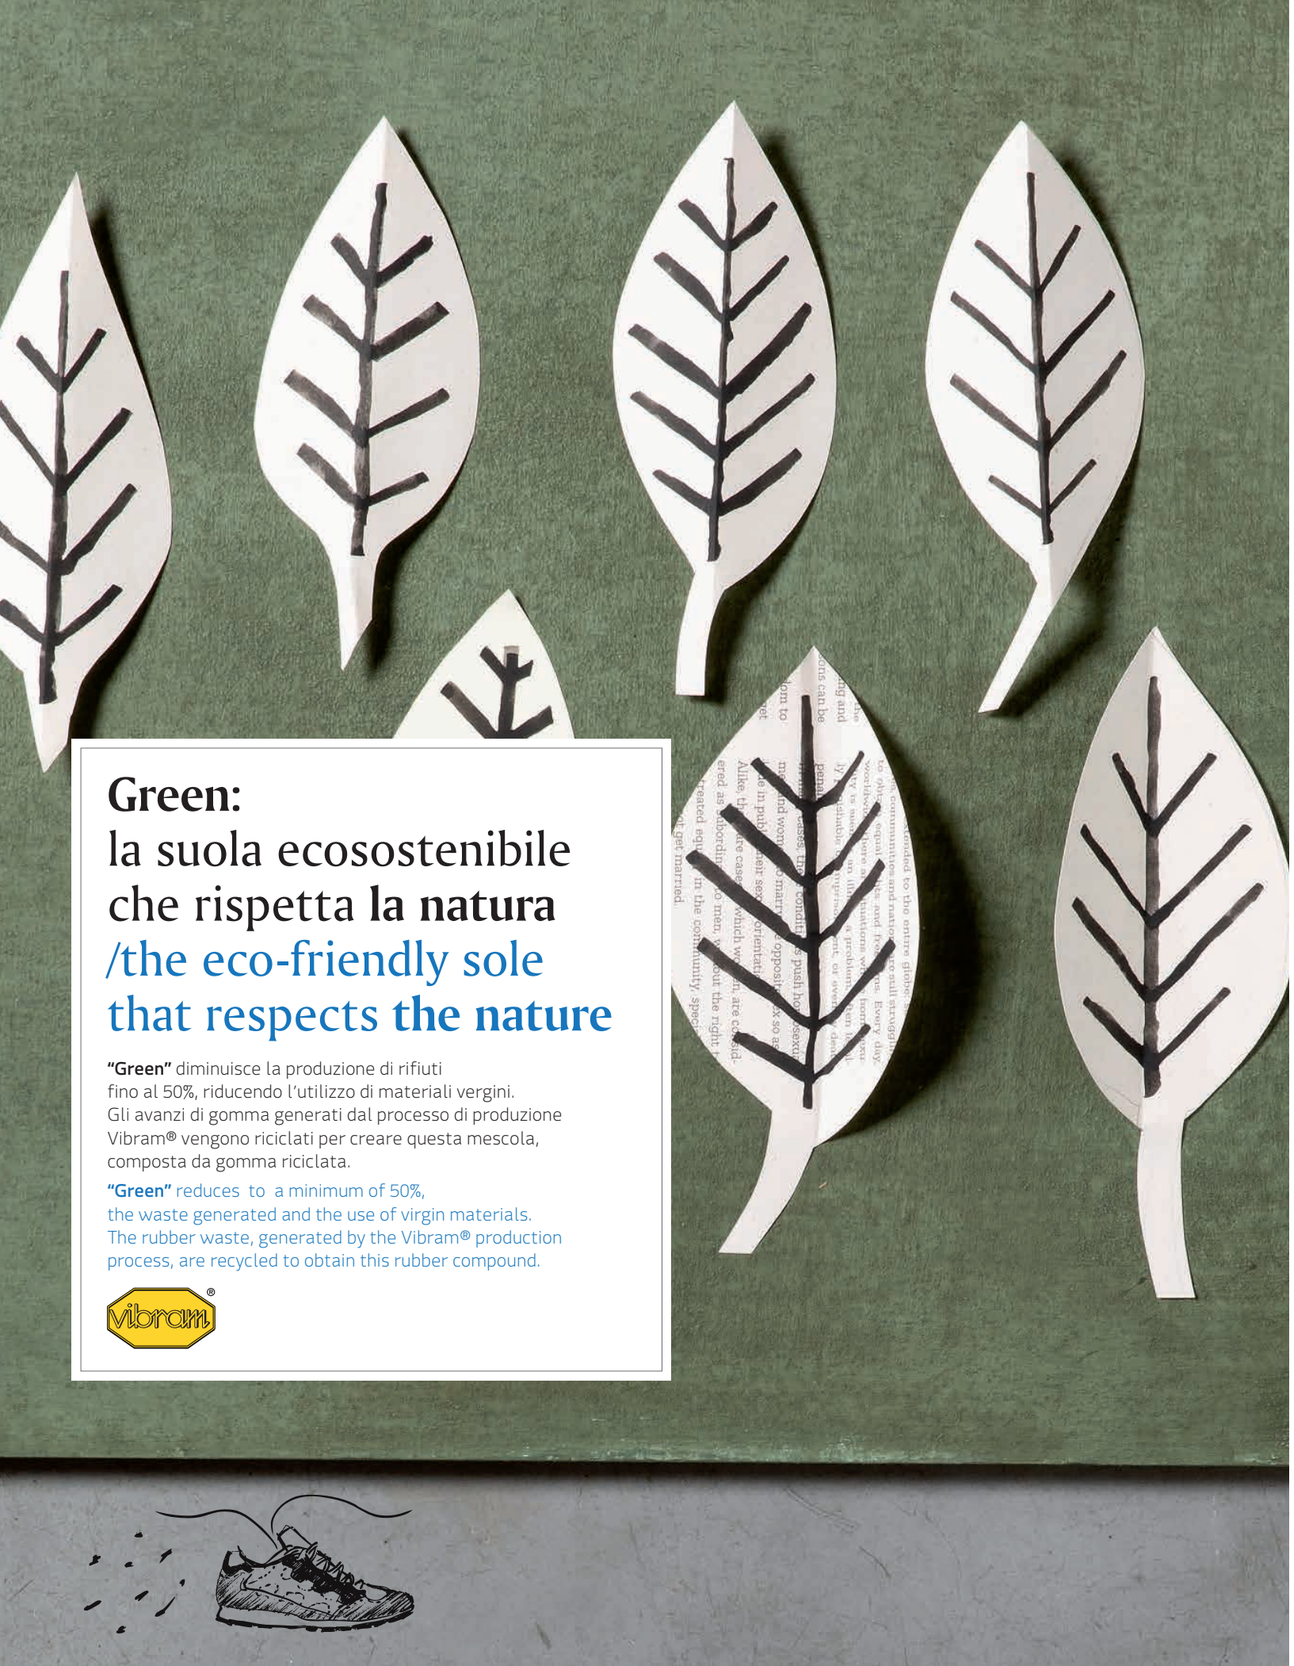
Vibram®

Quality and Design MADE IN ITALY



Green:
la suola ecosostenibile
che rispetta **la natura**
/the eco-friendly sole
that respects **the nature**

"Green" diminuisce la produzione di rifiuti
fino al 50%, riducendo l'utilizzo di materiali vergini.
Gli avanzi di gomma generati dal processo di produzione
Vibram® vengono riciclati per creare questa mescola,
composta da gomma riciclata.

"Green" reduces to a minimum of 50%,
the waste generated and the use of virgin materials.
The rubber waste, generated by the Vibram® production
process, are recycled to obtain this rubber compound.
